Looking For People With Ideas

Paradise Alley Players has been the **Marion Cultural and Civic Center's** community theater company since 1977. Our continuing goal is to enhance the appreciation of the theater arts in southern Illinois.

In addition to providing family oriented productions, we provide opportunities for a variety of theater experiences, like performing on stage, writing and directing plays, and back stage activities such as set construction, costuming, lighting and sound.

We ask for no membership dues and there is no cost required to be in any of our productions. We ask only that members supply a willingness to volunteer their time and talents to the organization.

The backbone of any organization is planning. Everyone who participates in our productions, provides financial support, or attend our shows are members of PAP; literally our entire mailing list.

While only our Board of Directors can decide the course of action PAP takes, they are dependent upon ideas that our membership suggests. However, in recent years mostly Board Members have been attending our monthly meetings.

The meetings are held in the Board Room of the **Marion Cultural and Civic Center**, normally on the first Tuesday of every month at 6:30 p.m. If you can spare an hour or so one day a month, we encourage you to attend. We look forward to having the advantage of different perspectives that people like you can bring.

Thanks to our donors
